This fundraiser will support the H.O.P.E Group (open to all who are interested) who, through community, prayer, service, and individual talents like needlework and sewing, create items such as quilts, blankets, and layettes to support newborn babies and their mothers in remote Northern Indigenous communities.

Tax receipts are available for donations of \$20.00 or more.

March for Life

March for Life is a peaceful demonstration at the Canadian Parliament Building in Ottawa in support of the unborn and to mark the passing of the 1969 omnibus bill which decriminalized abortion. We rally in front of our Parliament building and march through downtown Ottawa, asking our political representatives to fight for the right to life of every human being. For more information, please contact Alex Eykelhof at alex.eykelhof@gmail.com or 416-655-0800.

‘Building Hope for the Future’ Capital Campaign

With great joy and anticipation, we are thrilled to announce that we are moving forward with our efforts to build a new parish hall and chapel. The Building Hope for the Future, Capital Campaign marks a significant milestone in the life of our parish, as we grow to more fully love and serve our community for generations to come. At St. Isaac Jogues Parish, we recognize the importance of fostering a vibrant and welcoming environment. Our current facilities have served us well, but as our parish continues to grow, so too does the need for expanded and enhanced spaces that can accommodate our evolving needs.

The theme of our campaign, Building Hope for the Future, encapsulates our vision for the new parish hall and chapel. This project will not only provide us with much needed space, but will also serve as gathering place for fellowship, education, sacramental preparation and reverent prayer.

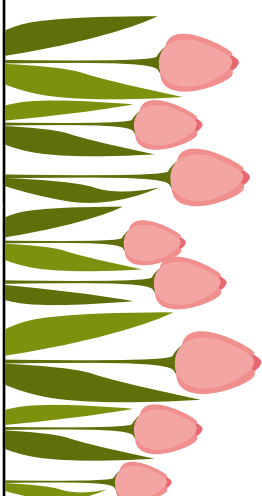

As we embark on this exciting journey together, we invite each and every member of our parish family to join us in prayer, support and generosity. Together we can turn our shared vision into a reality and ensure that St. Isaac Jogues remains a place of hope, inspiration and grace for generations to come.

Stay tuned for more updates and information on how you can get involved in the Building Hope for the Future, Capital Campaign. Together, let us build a bright future for our parish and community.
